Terms to Know: The Coordinate Plane

Following is a list of terms we will use in this unit. Some terms may be familiar to you, but in this unit, we may use them in a different way from what you are used to. Rate your knowledge by placing a plus sign (+) in front of the terms you are sure you know, a check mark (✓) in front of the terms you have some knowledge about, and a zero (0) in front of the terms you do not know. Be ready to hear and use them in the lesson.
